JAYESH KUMAR BHABHAR

UI DESIGNER

jayeshbhabharofficial.gmail.com / +91 6266238857 / https://www.linkedin.com/in/jayesh-kumar-bhabhar/

As a UI/UX Designer passionate about creating user-centred, visually appealing designs. Proficient in wireframing, prototyping, and interaction design, I aim to enhance user experiences and solve complex design challenges. I am seeking to contribute my skills to a dynamic team to craft intuitive digital products.

PROFESSIONAL EXPERIENCE

GROWHAT PvtLtd.   **Apr 2024 - Present**
   UI Designer

- Designed intuitive user interfaces for web and mobile applications, focusing on enhancing user experience and interaction.
- Worked closely with developers to implement responsive design across various devices and platforms.

Webangel Technologies LLP   **Jan 2022 - Feb 2024**
   Full-stack Developer

- Developed and maintained dynamic full-stack web applications, utilizing both front-end and back-end technologies to create seamless user experiences.
- Collaborated with clients to deliver scalable, customized web solutions.

Webangel Technologies LLP   **Oct 2021 - Feb 2022**
   InternshipInternship

- Assisted in the development of web applications, contributing to both front-end and back-end tasks under supervision.
- Gained hands-on experience in programming, testing, debugging, and collaborating on client projects.

PROJECTS

HillCutt App

   UI/UX Designer

- Designed a full-service booking app for barbers and salons.
- Created user-friendly appointment flows, service listing pages, and responsive mobile layouts.
- Worked on both customer and salon owner versions of the app.

Gautam Satu App

   UI/UX Designer

- Designed an app focused on community engagement and social initiatives.
- Conducted user research to understand the target audience's needs.
- Delivered clean, modern UI with intuitive navigation.

Grab A Gram App

   UI/UX Designer

- Created a concept for a food delivery and snack ordering platform.
- Developed a design system to maintain consistency across multiple user journeys.
- Focused on a quick checkout process and attractive menu layouts.
